# 7th ECiC 2016

7th European Coke and Ironmaking Congress

[www.ecic2016.org](http://www.ecic2016.org)

## SCOPE and TOPICS

The Congress will bring together a wide range of experts, coming from plant operation, plant suppliers and research institutes, who share expertise in:

- Coke making
- Iron ore production and handling
- Sintering
- Pelletising
- Blast furnace iron making
- Direct reduction
- Smelting reduction
- Environmental control in iron making
- CO<sub>2</sub> reduction and energy saving
- Recycling of in-plant residues

Quelle: Linz Tourismus

The Congress will provide a forum for best practice and state-of-the-art technology. It will also take a look at developments in the foreseeable future.

**We are looking forward to welcoming you in Linz.**
